2nd AUSTRALASIA AND SOUTH EAST ASIA CONFERENCE IN STRUCTURAL ENGINEERING AND CONSTRUCTION

3 NOV - 7 NOV 2014 BANGKOK, THAILAND
HOSTED BY: KASETSART UNIVERSITY

CALL FOR PAPERS

SUSTAINABLE SOLUTIONS IN STRUCTURAL ENGINEERING AND CONSTRUCTION

The Second Australasia and South East Asia Conference in Structural Engineering and Construction (**ASEA-SEC-2**) is a regional conference aimed at bringing together academics and practitioners. The conference will provide a platform to discuss recent technical advancements and innovations in the profession of structural engineering and construction. It is an excellent opportunity for the exchange of ideas and knowledge, and for discussing future challenges.

Who should attend?

Academics, engineers, entrepreneurs, architects, and other interested persons are invited to attend the conference.

Call for papers

Authors are invited to submit abstracts of between 250 and 400 words at:

http://www.isec-society2.org/abstractsAndPapers2/index.php?parent=ASEA_SEC_02

Authors must create an account, login and upload their abstract. Authors of accepted abstracts will be invited to submit full papers for peer review. One author of each accepted paper will be expected to present the paper at the conference. Accepted papers for which the full registration is paid will be published in the conference proceedings.
