EURO-MED-SEC-1

1st EUROPEAN AND MEDITERRANEAN STRUCTURAL ENGINEERING AND CONSTRUCTION CONFERENCE

MAY 24 - 29 2016 ISTANBUL, TURKEY

HOSTED BY: YILDIZ TECHNICAL UNIVERSITY

CALL FOR PAPERS

INTERACTION BETWEEN THEORY AND PRACTICE IN CIVIL ENGINEERING AND CONSTRUCTION

The First European and Mediterranean Structural Engineering and Construction Conference (**EURO-MED-SEC-1**) is a regional conference aimed at bringing together academics and practitioners. The conference will provide a platform to discuss recent technical advancements and innovations in the profession of structural engineering and construction. It is an excellent opportunity for the exchange of ideas and knowledge, and for discussing future challenges.

Who should attend?

Academics, engineers, architects, entrepreneurs, and other interested persons are invited to attend the conference.

Call for Papers

Authors are invited to submit abstracts of between 250 and 400 words at:

https://www.isec-society.org/EURO_MED_SEC_01/abstractsAndPapers/

Authors must create an account, login and upload their abstract. Authors of accepted abstracts will be invited to submit full papers for peer review. One author of each accepted paper will be expected to present the paper at the conference. Only accepted papers for which the full registration is paid will be published in the conference proceedings.

About Istanbul

Istanbul is one of the greatest cities, famous for its historical monuments and magnificent scenic beauties. It is the only city in the world which spreads over two continents, Asia & Europe, and is separated by a narrow strait (the Bosphorus). Istanbul has over 2,500 years of history and has been a crucial trade center ever since its establishment on this strategic junction of lands and seas.

Weather

The temperature in Istanbul in May usually ranges from 12°C-21°C with possible chance of rain. It is recommended that you bring a jacket and loose fitting clothing.

Dress Code

The dress code for this conference is Business casual.
