

Accompanying Persons Program

ISEC-4

4TH International Structural Engineering and
Construction Conference

Come along with us to see some of Melbourne's treasures. At a height of 1000 feet, day one includes spectacular views of Melbourne from the Eureka Skydeck, one of the tallest residential towers in the world. Chocoholics, sweet tooth's and travellers alike can discover Melbourne's world of chocolate, and experience hidden charms of the city's streets, lanes and arcades, all in one tour. On day 2, we visit the Dandenong Ranges; renowned for its beautiful forests & views. The Tesselaar Tulip Festival has over 450 000 tulip bulbs plus over 600 000 other spring flowering bulbs of all the colours of the rainbow blossoming across 3 acres.

If you are interested in the Accompanying persons program please register as accompanying persons on the Materials Australia website at www.materialsaustralia.com.au
