

ISEC Advisory Committee

Amarjit Singh, ISEC President, University of Hawaii at Mānoa, USA
Nader Ghafoori, ISEC Vice President, Univ. of Nevada Las Vegas, USA
Frank Yazdani, ISEC Secretary, North Dakota State University, USA
Sai On Cheung, City University of Hong Kong, China
Dejan Dinevski, University of Maribor, Slovenia
Takashi Hara, Tokuyama College of Technology, Japan
Indubhushan Patnaikuni, RMIT University, Australia

International Technical Committee

Magdy Abdelrahman, North Dakota State University, USA
Syed Faiz Ahmad, Saudi Oger Ltd, Saudi Arabia
Paul Chynoweth, University of Salford, UK
Hamidou Diawara, Ecole Nationale d'Ingenieur de Bamako, Mali
Roger Flanagan, Reading University, UK
Jack Steven Goulding, University of Central Lancashire, UK
Dean Kashiwagi, Arizona State University, USA
Calvin C. W. Keung, City University of Hong Kong, China
Enno Koehn, Lamar University, USA
Alexey Kolesnikov, Khristianovich Institute, Russia
Mohan Kumaraswamy, University of Hong Kong, China
David Langford, Glasgow Caledonian University, UK
Ruta Miniotaite, Kaunas University of Technology, Lithuania
Iraj H.P. Mamaghani, University of North Dakota, USA
Ramesh Reddy, Osmania University, India
Swapan Saha, University of Western Sydney, Australia
Max Maher Shoura, Hill International, USA
Takahiro Tamura, Tokuyama College of Technology, Japan
Ali Touran, Northeastern University, USA
Mumtaz Usman, Wayne State University, USA
Peter Wong, University of Western Sydney, Australia
Daisy K. L. Yeung, City University of Hong Kong, China
Tak Wing Yiu, City University of Hong Kong, China
Y. X. (Sarah) Zhang, Univ. of New South Wales at the
Australian Defence Force Academy, Australia

Local Organizing Committee

Prof. Gerhard Girmscheid, Chair, Head of the Institute for
Construction Engineering Management, ETH Zürich
Prof. Bryan Adey, Institute for Construction Engineering and
Management, ETH Zürich
Michel Buro, President of the Swiss Construction Companies Trade
Association, INFRA Zürich
Prof. Lorenzo Hurni, Head of the Department for Civil,
Environmental and Geomatic Engineering, ETH Zürich
Werner Messmer, President of the Swiss Entrepreneurial Builder
Society, Zürich
Prof. Gerhard Schmitt, Senior Vice- President of the Department for
International Institutional Affairs, ETH Zürich
Prof. Holger Wallbaum, Institute for Construction Engineering and
Management, ETH Zürich

6th International Structural Engineering and Construction Conference

**June 21-26, 2011
Zürich, Switzerland**

**“Modern Methods and Advances in
Structural Engineering and Construction”**

Announcement and Call for Papers

http://isec-society.org/ISEC_06/

**Eidgenössische Technische Hochschule Zürich
Swiss Federal Institute of Technology Zurich
Institute for Construction Engineering and Management**

Key Dates

Abstract submission	15 July 2010 (extended)
Abstract acceptance	01 August 2010
Paper submission	15 October 2010 (extended)
Paper review and acceptance	01 November 2010
Final paper submission	15 November 2010
Early bird registration for manuscript publication	25 January 2011 (extended)
Late registration for manuscript publication	10 February 2011 (extended)
Registration for simple conference attendance	Ongoing

Abstract Submission

The length of abstracts must be between 200 and 400 words and should outline the major content and conclusions. Upload your abstracts at www.isec-society.org/isec_06/abstracts.htm.

Language

The official language of the conference is English.

International Structural Engineering and Construction Conference (ISEC)

The mission of ISEC Conferences is to enhance communication and understanding between structural and construction engineers for successful design and construction of engineering projects. Interdisciplinary integration and international cooperation are encouraged. ISEC conferences promote innovative and integrative approaches in life cycle systems thinking in civil and building engineering that include constructability, specifications, design, bidding and construction. ISEC provides an international forum for the discussion of topics important to developing new knowledge in construction and structural engineering. The aim of ISEC is to conduct such conferences at an international level.

Past ISEC Conferences

- ISEC-01: Honolulu, Hawaii, USA, January 24-27, 2001
- ISEC-02: Rome, Italy, September 23-26, 2003
- ISEC-03: Shunan, Japan, September 20-23, 2005
- ISEC-04: Melbourne, Australia, September 26-28, 2007
- ISEC-05: Las Vegas, Nevada, USA, September 22-25, 2009

General Topics

All branches of structural and construction engineering; architectural, coastal, geotechnical, infrastructure, and materials engineering; air and water; construction management and safety; cost and project management; education and ethics; energy; facilities and asset management; housing; law and dispute resolution; national development; procurement; quality; risk analysis; sustainability; and other related topics.

Technical Program

The program will include keynote lectures, invited papers, and parallel technical sessions.

Exhibits and Exhibition Fees

The conference will provide an opportunity for companies to display their latest products and services in the field of structural engineering and construction. Those interested in having a display booth should contact the conference chair.

Special Workshop of the Swiss Building Industry

The Swiss Building Industry is organizing a one-day special workshop. There are no published papers for this event.

Sponsorships

Sponsorships are requested to support the conference. All sponsors will be recognized during the session events. There are three categories of sponsorships: Platinum (US\$ 3000), Gold (US\$ 2250), and Silver (US\$1500). Platinum sponsors will be offered a booth at no charge.

Accompanying Persons and Post-Conference Programs

The accompanying persons program includes shopping and visiting scenic attractions. The post-conference program on June 25 and 26, 2011 covers a number of cultural tours. More details can be found at the conference website.

About Zürich

Zürich is the largest city in Switzerland. The city is Switzerland's main commercial and cultural centre and sometimes called the cultural capital of Switzerland, the political capital of Switzerland being Berne. Zürich can be counted as one of the world's pre-eminent global cities. According to several surveys from 2006 to 2009, Zürich was named the city with the best quality of life in the world as well as the wealthiest city in Europe. The Zürich metropolitan area has a population of about 1.68 million people.

Conference Venue

The conference will be held on the Campus "Zentrum" of ETH Zürich, Building HG.

Conference Registration Fee

Note: The fees in brackets are for participants from developing countries.

	Early Bird Registration Before 25 January 2011	Standard Registration After 25 January 2011
Regular Registration	US\$ 975 (US\$ 850)	US\$ 1075 (US\$ 950)
Student	US\$ 750 (US\$ 625)	US\$ 850 (US\$ 725)
Accompanying Person	US\$ 595 (US\$ 525)	US\$ 595 (US\$ 525)
Exhibitors	US\$ 1995	US\$ 2495
Workshop: Swiss Building Industry	US\$ 150	US\$ 150
Banquet (extra ticket)	US\$ 99	US\$ 99

The regular, exhibitor, and student registrations pay only for all conference lunches, coffee breaks, reception, banquet, conference proceedings, workshop and technical sessions, and technical tours. Additionally, up to two manuscripts are covered by the regular registration fee; each additional manuscript will be US\$ 250. The accompanying person (AP) registration pays only for all lunches and coffee breaks, reception, banquet, AP tours during the main conference, and technical tours. Workshop fees includes lunch and coffee breaks for the workshop day only. Please register online at http://www.isec-society.org/ISEC_06/registrationpre.htm.

Conference Website

Please visit the website at http://www.isec-society.org/isec_06/index.htm. The website will be updated regularly to provide the latest information about the conference. Please reload your browser after each visit to the website as content may change.
