There shall be an extra charge for all post-conference cultural tours.

## Special Workshop of the Swiss Building Industry

There shall be a special one-day workshop of the Swiss Building Industry. There are no published papers for this event.

## Accompanying Person Program

On 22-24 June, accompanying persons shall have the benefit of participating in tours designed specially for them. These tours are not for those not specifically registered as accompanying persons. Information is available at the website at: [http://isec-society.org/ISEC\\_06/accompanying.htm](http://isec-society.org/ISEC_06/accompanying.htm).

## Exhibits

The conference will provide an opportunity for companies to display their latest products and services in the field of structural engineering and construction. Those interested in having a display booth should contact the local organizing committee.

## Sponsorships

Sponsorships are requested to support the conference. All sponsors will be recognized during the session and other events. There are three categories of sponsorships: Platinum (US\$ 3000), Gold (US\$ 2250), and Silver (US\$1500). Platinum sponsors will be offered a booth at no charge.

## Weather

The weather in Zurich in late June usually ranges from 72°F to 51°F (22°C to 12°C). It is highly recommended that you bring either a jacket or an umbrella to accommodate the most likely chances of rain during your stay in Zurich.
